important to our community.

The Memory Care Assisted Living Center is near completion and sales personnel have located a sales office on Airway Avenue.

VETERANS ADMINISTRATION CLINIC

Landscape is nearing completion at the new

Veterans Administration clinic. The facility is

anticipated to open soon and will be vitally

representatives at the AAED conference in Tucson. They learned the VA is researching the

possibility of locating a 60-bed assisted care

MEMORY CARE ASSISTED LIVING CENTER

Staff met with Veterans Administration

center for veterans in the Kingman area.

#### HIBBETT SPORTS

Hibbett Sports has secured a building permit for tenant improvement to locate in the new Safeway Center.

#### ARBY'S

The Arby's restaurant on Andy Devine Avenue is still undergoing remodeling but has been able to reopen for business.

### **IOURNEY CHURCH**

The Journey Church building on Bank Street is now complete and ready for occupancy.

The USA Pawn store is now open on Detroit Avenue. Kingman's pawning opportunities have expanded and the building is occupied.

### **BUILDING DIVISION**

New housing starts remain 60% greater in the first four months of 2014 compared to the first four months of 2013. Eleven permits for new housing starts were issued in April bringing the first quarter of 2014 to 48 new housing starts compared to 30 the first four months of 2013.

Commercial building activity has decreased in 2014 when compared to 2013. Two new commercial building starts were issued; one in January the other in March. Commercial place revitalization is taking through renovation of existing commercial buildings. Existing vacant buildings are being renovated and occupied once again.

Construction projects in 2014 have increased slightly from 125 permits the first four months in 2013 compared to 148 permits in the first four months in 2014—an increase of more than

18%!

However, construction value is down from last year—\$12,423,061.34 in 2014 compared to \$20,751,567.55 in 2013. The Memory Care Senior Housing project, FMC's Diagnostic Center and the VA Clinic boosted 2013 valuations.

The part-time secretary hired to assist clerical staff with five boards and commissions supported by this department, resigned at the end of April.

### TOURISM DEVELOPMENT COMMISSION

- Discussion in reference to funding of the upcoming Route 66 International Festival is underway
- Promotion of the "Pickin' the Vines" Bluegrass Festival has begun. The event is scheduled to take place October 2014
- Promotion of the Kingsmen Extreme Bull Riding event is underway. The event will take place in May.

### ECONOMIC DEVELOPMENT AND MARKETING COMMISSION

### **RECon 2014**

Arrangements are being made for the Economic Development and Marketing Commission to attend the International Council of Shopping Centers RECon 2014 show in Las Vegas, May 18-20.

The City is sharing a booth (which has been secured) with the Bullhead Regional Economic Development Authority. Thumb drives have been obtained as a promotional item to share with potential retailers. Staff has met on booth design and banners have been designed and delivered. Staff is scheduling appointments with retailers as a result of research through its membership of Retail Lease Trac.

#### RETAIL LIVE!

Staff and two EDMC members attended the Retail Live tradeshow in Los Angeles on April 2<sup>nd</sup>. Although the event was much smaller than promoted, three good contacts have been made and may come to fruition.

All City Council meeting agendas, agenda packets, and minutes, as well as agendas and minutes for all City of Kingman boards, commissions, and subcommittees are available on-line at www.cityofkingman.gov.

The City Clerk's Office assembled the City Manager Report and the E-Newsletter for April 2014.

### **ENGINEERING DEPARTMENT— APRIL 2014**

### WATER AND SEWER ACTIVITIES

The Engineering Department responded to 82 requests for information on the availability of water and/or sewer to specific properties and the existence of paybacks and assessments relative to those properties. Many of these requests involved multiple properties.

The department also issued one Approval to Construct for a water main extension on Andy Devine Avenue for the Family Dollar Store located on John L. Avenue—ENG13-055.

### **MEETINGS**

- The Municipal Utility Commission meeting was held Thursday, April 24
- Monthly Staff meeting was held Thursday, April 24
- A Pre-Construction Meeting was held April 23 for the Eastern Sidewalk Project—ENG10-035

### **DESIGN ACTIVITIES**

**Project ENG13-008:** Design and construction of Quiet Zone Improvements at three downtown railroad crossings. Project design is complete and staff sent Notice of Quiet Zone Establishment on February 24th to all required entities, including BNSF and the Federal Railroad Administration (FRA). The comment period ended and staff is preparing for construction.

**Project ENG13-065:** Design and construction of various ADA improvements in the downtown area. Project-related work will take place on Beale Street, Fourth Street and Andy Devine Avenue. Plans are complete.

**Project ENG12-010:** Installation of a water transmission main from Rattlesnake Tank to Rancho Santa Fe tank. Negotiations with property owners for necessary easements are ongoing. The City has hired an appraiser to determine a value for the proposed easements.

### CONSTRUCTION ACTIVITIES

**Project ENG14-001:** Involves the construction of several projects which include the quiet zone and other street and drainage projects. T.R. Orr, Inc. is the contractor performing the work and construction will begin in May.

**Project ENG14-020:** Involves abandoning septic tanks and connecting residents to the new sewer line constructed on Beverly Avenue. Contractor is Lewis Equipment and construction is ongoing.

### RIGHT OF WAY ACTIVITIES

- 17 permits to work in the public right-of-way
- 15 sewer connection permits
- Two sewer tap permits
- Four utility permits for water meters in the County
- Issued 13 utility permits for water meters in the City

# Kingman Fire Department

### **APRIL 2014**

Year-to-date Kingman Fire Department has responded to 1,780 emergency incidents. 1,525 (over 86%) were medical and 255 were fire or other hazard related. During the same time period last year, there were 1,852 emergency calls for service—a 2.86% decrease.

The most common reasons for medical response included: general illness, cardiac issues, falls, respiratory, emotional and motor vehicle accidents.

There have been a total of 1,470 patients assisted year-to-date and 1,125 of those patients were transported to the hospital for further care. Contact with patients did not occur on all medical calls responded to. The average patient age for April was 55 and 56 year-to-date.

The dollar loss for April was \$3,500 and dollar save was \$72,000. There were no civilian or firefighter injuries or deaths as a result of fire related emergencies. The total for emergency and non-emergency responses is 2,860.

	ΑI		

Training topics for the month of April included:

- EMS monthly run review
- HAZMAT Team Response Procedures
- Live fire training which included Evolutions in Burn Building and Flashover for the new hire POC's
- Wildland Refresher/Red Card Classroom, Fire Shelter and Brush Engine Review

Physical fitness training was enhanced with health and nutrition presentations by Doctors Sinopoli and Baker.

Hose testing and SCBA fit testing were also on the action plan for April.

### KINGMAN 9-1-1 ALWAYS THERE—ALWAYS READY!

### When should 9-1-1 be called?

9-1-1 should be called when any serious situation occurs which requires a law enforcement officer, fire fighter or emergency medical help. If uncertain the situation is an emergency, call 9-1-1. The 9-1-1 call taker can determine if emergency assistance is necessary and route your call to the correct location.

### What should I do once I dial 9-1-1?

Should you ever call 9-1-1, the following tips will make you better prepared in a possibly frantic situation. Do your best to remember these tips to make the 9-1-1 call go as smoothly as possible

- · Attempt to speak as clearly and as calmly as possible. If you're overwhelmed, take deep breaths to help calm down
- Have an address or precise location to provide the call taker
- Listen carefully to the call taker's questions and provide information as it is requested. Even if you have a Smart 911 Safety Profile, the call taker must ask questions to verify accuracy of the information
- Follow the instructions provided unless you feel they will place you in danger

### **HUMAN RESOURCES / RISK MANAGEMENT—APRIL 2014**

The following information encompasses an overview of activity for the reporting month; some of the information is captured as year-to-date.

### **WORKERS' COMPENSATION:**

Each incident is followed-up by an Incident Review Committee. The Committee reviews the events leading up to the incident to determine what, if any, prevention procedures need to be implemented. HR/RM staff assist with coordinating the review committee and participate in the review and implementation of prevention programs.

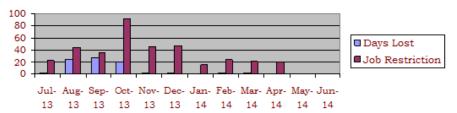

During the month of April, two strains and one other injury occurred. In addition, three near misses and zero exposures were noted.

### INJURIES BY DEPARTMENT: JULY 2013 - JUNE 2014

Of 32 industrial injuries and exposures reported during the month of April, for the period of July 2013 through June 2014, six occurred in the Public Works department, 14 in the Police department, five in the Parks and Recreation department, five in the Fire department and two in all other departments.

### NUMBER OF DAYS LOST/JOB RESTRICTIONS DUE TO INJURIES: JULY 2013- JUNE 2014

During the month of April, we experienced zero lost work days and 19 days of job restrictions.

WORKER'S COMPENSATION INCIDENT RATE (YTD): JULY 2013 - JUNE 2014

### **HUMAN RESOURCES/RISK MANAGEMENT PROGRAMS / PROJECTS:**

#### SMILEY AWARDS

During the month of April 50 employees received smiley awards. The Smiley Program recognizes outstanding customer service acts committed and positive approaches exhibited by employees throughout the City. Every employee of the City is eligible to receive a Smiley and a Smiley can be given by anyone in the City. If a City employee provides you with customer service that leaves you smiling please contact Human Resources so that we can recognize them through sending a smiley award.

### SAFETY COMMITTEE (CITY-WIDE)

The General Safety Committee members are working on developing safety policies and Emergency Action Plans. The committee is actively working on the policies and plans. From there, plans will be made to develop and offer training on the safety policies adopted. General Safety Committee meeting minutes are posted on the City's internal website. The General Safety Committee is performing audits and inspections of all City facilities and grounds. Doing so provides City employees and the public we serve with a safety environment to work in and enjoy.

Safety Smartie: The Safety Smartie program recognizes employees being caught being safety smart. The program runs similar to the Smiley program and each employee recognized will receive Smarties®. During the month of March, only one employee was recognized to a receive Safety Smartie!! Please do your part to recognize individuals who are "caught being safety smart"—send your nominations to Human Resources today!

### KINGMAN CONNECTION

Newsletter issues are located on the City's internal and external websites. The newsletter provides information regarding health and safety topics and focuses, provides additional information for our employees and their family members, welcomes new employees, provides notice of important calendar dates and other topics of interest. We encourage everyone to read and share the newsletters with their family members.

### WELLNESS PROGRAM

The City of Kingman, through the coordination of our own Wellness Committee and Northwest Arizona Employee Benefits Trust, is offering an innovative and comprehensive wellness program. We continually strive to inspire employees and their families to make healthy lifestyle choices, to make connections with other employees and to be actively involved in our community. One of the most effective ways for the City to reduce healthcare costs, and for employees to become healthier, is to encourage employees and their families attain and/or maintain a healthy weight.

### KINGMAN POLICE DEPARTMENT-APRIL 2014

Chief Robert J. DeVries

### MONTHLY ACTIVITY

### Dates to Remember

May 15th 2:00 p.m. 11th Annual KPD Awards Ceremony— Central Commercial Building

June 2nd 8:00 a.m. Start of 1st JPA at Lee Williams High School Calls for service and officer initiated activity numbered 2,627 during the month of April—a 13.20% decrease when compared to 2013. Written reports are down 5.22% and officer initiated activity is down 17.46% from the year prior.

Department staff met with a representative from New World Records Management Systems to review details for the final phase of implementation for the mobile computer component. New World estimates the system should be up and operational by the end of the calendar year allowing officers to access the data base and submit inquiries and reports from the field.

The Kingman Police Officers Association (KPOA) held a fund raising event with the Easter Bunny April 19th at Walmart. Children had the opportunity to pose for a photo with the Easter Bunny by sharing either a cash or food donation. Parents brought 187 children to the event raising \$407 and an unspecified amount of food donations for the area food bank.

The department assisted with various events throughout the city associated with the 32nd Annual River Run, April 24th—27th. The Laughlin event was well-attended and no major incidents occurred.

Testing for Police Officer positions took place April 28th and 29th. Thirty-five applications were received and twenty individuals were invited to participate in the testing process — two candidates withdrew prior to testing.

Thirteen individuals presented on April 28th and seven passed the written exam. Five of the seven successfully completed the physical agility test; they were invited to the assessment center and

an oral board interview April 29th. Four have moved forward to the background investigation phase. Department staff will team with Human Resources for advertising and testing June 2nd—4th for the two remaining vacant police officer positions.

### **STAFF**

- Michael Seliquini, Ashley Walker, Jason Huerta and Zacharie Clark reported to the Western Arizona Law Enforcement Training Academy in Lake Havasu City January 26th. The group is scheduled to graduate from the 19-week academy June 6th.
- Stan Mills has been selected to replace Doug Letcher who retired from building maintenance on March 7th. We welcome Stan as part of the KPD Team.
- Neighborhood Services Officer Erin Roper has been selected as Deputy City Clerk. We wish her the best in her new assignment which begins May 19th.

### Felony Arrests for Burglary, Possession of Burglary Tools and Possession of Dangerous <u>Drugs and Paraphernalia:</u>

On April 4th at approximately 3:40 a.m. in the 3200 block of Andy Devine Avenue, officers arrested **James William Curran**, **36** of Las Vegas, **Thomas Lance Stern**, **25** of Las Vegas, **Christina Mae Anderton**, **22** of Las Vegas **and Ashley Leonard**, **23** of Golden Shores on felony charges of Burglary, Possession of Burglary Tools, Possession of Dangerous Drugs and Drug Paraphernalia. Additionally, **Curran** was arrested on two felony warrants for Grand Theft Auto and several misdemeanor warrants.

confirm the burglary and return the stolen property.

Based upon information received during the arrests, a multi-agency task force conducted three search warrants in the Yucca area and recovered several dozen stolen vehicles from Arizona, California and Nevada.

### **Arrest for Vehicle Burglaries:**

On April 13th, at 4:30 p.m. officers arrested **Nicholas Tyler Dellacioppa, 19 of Kingman** on two felony charges of vehicle burglary. Earlier in the day, KPD took several reports of vehicle burglaries in the 3700 block of Heather Avenue. Evidence and information lead investigators in locating Dellacioppa and another 19 year-old male at the 3400 block of Stockton Hill Road. Dellacioppa, who admitted involvement in the burglaries, was taken into custody while the second suspect was released pending further investigation. All the burglarized vehicles were unlocked. The department would like to remind everyone to lock their vehicles and remove valuables.

### Felony Arrest for Burglary:

On April 25th Detectives arrested **Robert Cyrus Bahmanou**, **31 of Kingman** on a felony charge of Burglary in the 2nd Degree. The arrest was the result of an investigation which began the previous day. During that incident officers responded to a burglary in progress in the 800 block of Berk Ave. It was also reported that a shot had been fired. Upon arrival, **Bahmanou** was taken into custody after he was identified as the suspect in the attempted break in. The investigation revealed that **Bahmanou** had gone to his neighbors home, broke a window and banged on the door in an apparent attempt to gain entry. **Bahmanou** was confronted by the homeowner who was armed. During the confrontation between

**Bahmanou** and the homeowner a shot was fired striking the roof of the porch. The homeowner and his wife, who are acquainted with the **Bahmanou** were not injured. **Bahmanou** who received severe lacerations to his arms and head from breaking the window was transported to KRMC where he was treated for non-life threatening injuries.

### Felony Arrest for Aggravated DUI and Child Neglect:

On April 28th officers arrested **Julie Lynnelle Feller**, **37 of Kingman** for Aggravated DUI and two misdemeanor charges of child neglect. Officers responded to a grocery store in the 3900 block of Stockton Hill Road at approximately 10:40 a.m. for two children ages five and 11 left by their mother. The investigation revealed that the suspect, identified as **Feller** had driven her vehicle occupied by her three children 16, 11 and five to the store. The 16 year-old had left with friends and Feller, who believed the children were with their sister also left the store. **Feller** returned to the store and was found to be DUI while her children were in the car.

### PARKS & REC DEPARTMENT—APRIL 2014

### THE RECREATION DEPARTMENT

### 2014 SUMMER ACTIVITY GUIDES ARE NOW AVAILABLE AT THE OFFICE ON HARRISON STREET OR ON THE CITY WEBSITE-CHECK OUT CLASSES, CAMPS AND PROGRAMS FOR THE ENTIRE FAMILY.

Summer positions are currently being filled for both Day Camp and aquatic classes. Call the office, 757-7919, with questions.

We had a great turn-out for the annual Easter Egg Hunt and received several nice comments. Children had a great time and so did most of the parents. Walmart and Taco Bell were co-sponsors for this event.

Have some spare time? Drop by Centennial Park and try Bocce Ball, Pickle Ball or maybe a friendly game of Horseshoes. Bring your own equipment or check-out the department's at the Parks and Recreation Office.

Lifeguard and Water Safety trainings are currently taking place at Grandview and Centennial pools. Both pools will open May 31st. Swim Lessons will be held at both pools and registration begins May 30th. The first two-week session will begin June third.

The free mobile "Vantastic" program, sponsored by KRMC, will be visiting six parks this summer. Check out the 2014 Summer Activity Guide for dates, times and locations.

The final set-up process for Rec1 is taking place. Within coming weeks our program participants will be able to register on-line as well as in our office via this new program.

### Things to look forward to:

May 17th: Bearizona & Imax Trip

May 31st: Pools Open

June 13th: Summer Carnival & Movie in the Park

Please contact Yvonne at 692-3111 to be placed on waiting lists.

#### PARKS DEPARTMENT

The Park Maintenance crew has completed 21 maintenance repair orders in the Parks system, 32 in the mechanics shop and 12 in Pools/Recreation.

Park improvements since the last report include completion of the new Ramada in Locomotive Park that was donated by Kingman Regional Medical Foundation in honor of their thirty years in Kingman. Thank you KRMC. At the Ramada a new ADA picnic table is in place and parking lot striping is complete. This project was finished in time for the Fun Run. The newly revitalized area was well-utilized and appreciated by many.

The turf management program is complete system wide and all parks have received aerification and fertilizer. We have seeded half of the large dog park in Lewis Kingman Park and will move on to the other side when the seed germinates to the desired size.

With the weather being so nice this spring, grass is growing well and the mowing crew is back to a five-day-a-week schedule. Centennial and South Side athletic fields are mowed twice weekly.

The 2014 Softball and Baseball seasons are in full swing and crews are very busy. Ball-field techs work six-days-a-week to have the fields prepped and ready for weekly scheduled games and tournaments.

Don't forget the mess that has to be cleaned up every morning-our staff doesn't! With heavy winds Kingman has experienced the past several weeks, the crew had to perform a major trimming on one of the Globe Willows that split down the side at Centennial Park.

#### Parks and Rec Continued

Pool mechanics have begun pre-season maintenance at Centennial and Grandview Pools. Pool decks received a new coat of paint, slides have been uncovered and the pumps test fired. The pool heaters have been checked and fired up and facilities are cleaned and ready for the start of a new season.

Parks and Recreation received a \$1,557 donation from Carol Decker-Noli of the Democratic Women's Club of Kingman for the purchase of a 30' flagpole to be installed at Metcalfe Park.

A tree planting donation from the Daughters of the American Revolution has also been received. Both of these gifts are greatly appreciated.

Crew members continue to spray for weeds in Mohave Wash. Since last reported, the Park Crew has utilized 464 hours of inmate labor.

The Parks system experienced three incidents of vandalism during the month of April. At Centennial Park an unknown person broke the slide on the intermediate playground, Canyon Shadows park experienced some minor graffiti on a sidewalk and at Fire Fighter Park, graffiti was found in the men's restroom.

### CERBAT CLIFFS GOLF COURSE

The golf course crew completed the aerification process on all greens. The greens were deep tined with 3/4" solid tines to a depth of 10-inches then cored with 5/8" tines. The greens were then top-dressed with USGA sand and over-seeded with bent grass. At present the greens are healing-in rapidly. Cores that were harvested were spread evenly, top dressed, compacted and fertilized to start the turf surface of the new putting green project next to #1 tee. This insures the turf on the new putting green (which will also double as a turf nursery if needed) will be consistent with turf on our greens.

With recent warm, dry weather and aerification holes open on the greens, we have spent more normal time hand syringing greens. In addition, we have removed four irrigation heads located in out-of-play areas to continue water conservation efforts at golf course.

With mowing season in full swing, the crew has been doing a great job of keeping up while continuing to complete other projects.

With painting of stucco underway, the Pro Shop awning addition is in final stages of completion. The awning will provide a nice, shady spot to relax after an enjoyable round of golf and will help the utility budget as well. Several very positive comments have been received in reference to this improvement. Since last reported, the golf course has utilized------456 hours of inmate labor!

As a result of a mild winter season we have seen an increase in the number of burrowing animals. Efforts are being made at trapping gophers and knocking down the mounds they leave behind. We use a small box grader that was made by our staff to utilize the soil as topdressing for damaged areas. The crew is being very vigilant in attempting to reduce the number of these pests.

Two 2014 golf outings held at the course were very successful. The Lingenfelter outing had a full course of 144 golfers and the Margarita Open had a great showing as well. It was a lot of fun for the ladies who participated and all went well with both outings.

For any information about Cerbat Cliffs Golf Course or to schedule a Tee time call 928-753-6593 or visit our website at www.cerbatcliffsgolf.com.

# Current Inventory Maintained by the Street Department: 208 paved miles 17 dirt miles 900 street lights

### **Street Department Activities:**

24 traffic signals

During the month of April, the Street Department performed routine maintenance throughout the city. Duties included pot hole patching, vegetation control, road grading and street sweeping.

The Street Department also began annual maintenance of drainages throughout the city which will continue through monsoon season. Staff also began cleaning the lot on Andy

Devine Avenue and Fairgrounds Boulevard and resurfacing gravel roads which will continue throughout the summer. Repair and replacement of roadway signs through downtown and Andy Devine Avenue has begun.

### WASTEWATER

### Wastewater Treatment

The Hilltop Facility treated approximately 48 million gallons of influent and discharged approximately 46 million gallons of "B+" effluent. Crews composted approximately 80 cubic yards of new compost and started an additional 20 piles to be processed for compost in the near future. Renovation work continued on the exterior of the old operations building/new lab. Staff completed quarterly WET samples. DMRQA Study 34, as well as potable water proficiency, WP235 data, were submitted and AZ Department of Health Services (ADHS) completed a follow-up inspection of the Hilltop Laboratory.

The Downtown Facility treated approximately 6.7 million gallons of influent and discharged approximately the same amount of grade "A" effluent.

### Public Works Department Continued

Downtown crews completed cleaning of both U.V. reactors and completed individual clean-in-places of both Membrane Bio-Reactors. Staff completed monthly DMR Reports, quarterly SMRF Reports and bi-annual WET samples to be analyzed for toxicity by Aquatic Laboratories. Downtown crews de-watered approximately 60 cubic yards of bio-solids which was transported to our Hilltop facility for composting. ADHS completed a follow-up inspection.

### Wastewater Collections

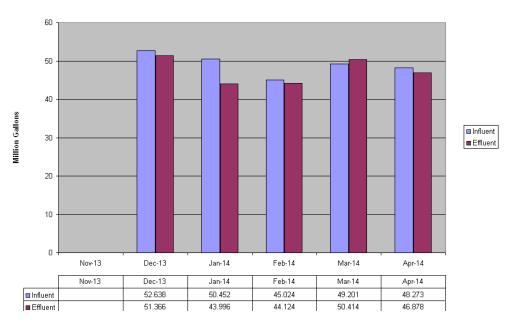

Wastewater collection crews completed hydro-jet cleaning of approximately 12,000 linear feet of 6, 8, 10 and 12-inch wastewater sewer lines in a continued effort to reduce sanitary sewer overflows. Collection crews completed CCTV inspections of 6 and 8-inch wastewater sewer lines—totaling an estimated 4,500 linear feet—which identified areas requiring hydro-jet cleaning, mechanical root removal, potential repairs and areas of inflow and infiltration. Simons Sewer Cleaning completed hydro-jet and vector cleaning of various sized conveyance lines from 6-inch residential collection mains to 24-inch outfall trunk lines, during their annual spring visit, which totaled 160,000 linear feet. Wastewater Collection crews responded to and assisted with multiple calls for service. All calls for service were directly related to compromises or deficiencies in customer's laterals or general plumbing.

### APRIL PROJECTS

### Highway Safety Improvement Program

**Fiscal Year 2011 Signs Project**—The signs project was awarded to Trafficade Signs and Safety Sales. Signs have been ordered and should arrive in May.

Sign Inventory System Project—Procurement and installation of an asset inventory system which will maintain reflectivity requirements on City signage. The Proposed Joint Project Agreement (JPA) was presented to council April 15<sup>th</sup> and was approved. Staff received the executed JPA for the sign Inventory System from ADOT and Environmental clearance has been obtained. Utility and right-of-way clearances have been submitted. We anticipate a "Notice to Proceed" on the design portion (fiscal year 2014) of the project which will include the purchase and installation of the software and a "reflectometer" used to maintain retro-reflectivity standards. The construction portion of the project is scheduled in the WACOG Transportation Improvement Plan (TIP) for fiscal year 2017 and includes all data collection and input into the system to be done by a consultant. Should funds become available sooner the project could proceed at that time.

Protected / Permissive Left Hand Turns at the Beverly & Harrison and the Airway & Harrison intersections—Staff is preparing the Joint Project Agreement (JPA) to present to council. This project is scheduled for design in fiscal year 2014; construction in fiscal year 2017 in the WACOG TIP unless funding becomes available sooner.

Eastern Pathway—Project was presented to council April 1st and awarded to TR Orr Inc. TR Orr has been given the Notice of Award and a pre-con meeting has been held. There is a meeting with City staff, TR Orr, ADOT and sub contractors scheduled for May 12th. Discussion to encompass compliance issues regarding certified payrolls, Davis Bacon wages and contract approvals. A Notice to Proceed date will be determined following this meeting.

Byways Grant / Powerhouse—Staff has received conditional approval on the Request for Qualifications (RFQ) document submitted to ADOT for an architect on the Powerhouse rehab project. Advertising the RFQ will beigin in May and "Self Administration" has been granted for the design portion of the project. A nine-month design period is expected and approximately 180 days later is estimated to be the construction start date.

Byways Grant / Route 66 Pedestrian Crossing—Staff has been granted Self Administration for the design of this project to be done in-house and has been granted the Notice to Proceed from ADOT. City Engineering staff has begun the design of this project.

PARA Grant—This is a corridor study along Stockton Hill Road from Detroit Avenue to Northern Avenue. Parsons Brinkerhoff was selected by ADOT to complete the study. A conference call took place in February to discuss a final draft report by the project Technical Advisory Committee (TAC). Upon completion, a final report will be presented to council.

### APRIL HAPPENINGS

KART route changes went into effect Saturday April 5th and, to celebrate the new stops, 238 free rides were given.

Sheri Furr attended the 2014 Arizona Transit Association (AzTA)/Arizona Department of Transportation (ADOT) Annual Conference and Bus "Roadeo" in Tucson, AZ April 12<sup>th</sup> through the 15<sup>th</sup>. Operators from all over the state competed in multiple events. A trip to the National Roadeo is the grand prize where the winner represents the State of Arizona. In addition to a written exam participants are judged on their skills with a pre-trip inspection of the vehicle, wheelchair securement and a challenging obstacle course. Sheri had the opportunity to be a judge for the Roadeo and hopes to have one or more KART transit operators represent Kingman next year.

Conference sessions were informative and included topics which ranged from understanding how and why each generation utilizes public transportation to writing effective policies and procedures.

The KART Transit Advisory Committee (TAC) met April 16th. Margaret Daw was elected Vice-Chair and Cere Tabbert was welcomed as a new member.
